WE TAKE RESPONSIBILITY

RAL QUALITY CERTIFICATION MARK 992/3 LINEN FROM PROCESSING COMPANIES incl. RABC management according to EN 14065

**WE TAKE
RESPONSIBILITY!**

YOUR KEY TO PROCESS AND HYGIENIC SAFETY

- The RAL-GZ 992/3 quality certification proves **TEXTILE SAFETY AND HYGIENE** for food production, treatment and marketing
- The **RAL-GZ 992/3 HYGIENE CERTIFICATE** ensures that there is no risk of contamination with germs for products, consumers, customers and employees themselves when processing laundry from food businesses.
- The **RAL HYGIENE CERTIFICATE FOR FOOD PROCESSING COMPANIES** also covers hygiene management requirements in accordance with the most important international standards (IFS, BRC).
- **BENEFIT FROM** the know-how of a large community with over 400 affiliated textile service companies.

QUALITY

- Year-round monitoring of washing processes
- Unannounced facility inspections by the certification body

HYGIENE

- Comprehensive hygiene management in textile service operations
- Clear separation of 'clean' and 'unclean' areas within the facility
